"The care and attention my mum has received since being at Chawley Grove is exceptional. The staff have taken the time to get to know Mum and what her likes, dislikes and triggers are making her comfortable and welcome and loved. I don't think that there is another care home like this in Oxfordshire and cannot praise or recommend them more highly." – DAUGHTER OF A CHAWLEY GROVE RESIDENT

Our Approach

We believe it's the people that make a loving home.

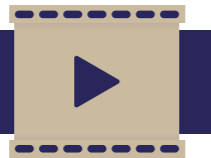

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Chawley Grove is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"The staff are like family to the residents when we can't be there. They are supportive and caring and above all treat Mum like their own mum, with the kindness and the understanding she deserves. If you are looking for a perfect place then Chawley Grove really is an excellent choice." — DAUGHTER OF A CHAWLEY GROVE RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

"I cannot recommend Chawley Grove highly enough. The home itself is delightful - it has a lovely atmosphere and everything is modern and very clean. But what really makes it special are the people who work there. Everyone I met had such a clear interest in making my aunt's stay with them as happy and comfortable as possible." – NIECE OF A CHAWLEY GROVE RESIDENT

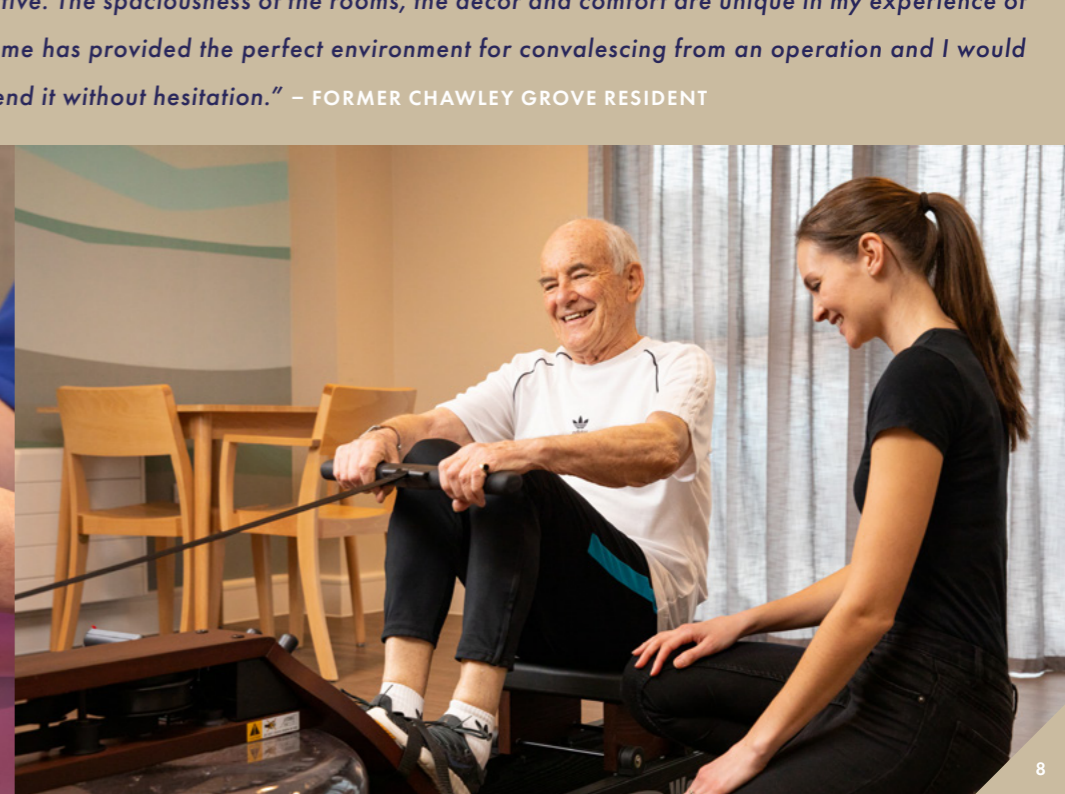

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"Chawley Grove stands out amongst other care homes I am acquainted with in every way. I have appreciated the quality and availability of the nursing staff and the physiotherapy service which is knowledgeable, person-centred, friendly and supportive. The spaciousness of the rooms, the decor and comfort are unique in my experience of care homes. This home has provided the perfect environment for convalescing from an operation and I would return and recommend it without hesitation." – FORMER CHAWLEY GROVE RESIDENT

"From the initial viewing of the home, it quickly became clear this was a very high-quality development with a fresh care approach. The premises are like a 5-star hotel." — SON OF A HAMBERLEY CARE HOME RESIDENT
