CHARRINGTON MANOR

A luxury care home with a heart

"A long life needs a happy ending. My father-in-law is 98 and has been fit and active all his life. After care at home and in another care home, he came to Charrington Manor. What a difference! The Homemakers actively engage with him, he has a cinema, a garden, a pub and even his golf clubs, which he hasn't used in 15 years. He is active, challenged and becoming more able every day. This has been one of the best decisions we have ever made and to anyone else looking for an altogether better level of care for their parents, there is nowhere better." – SON OF A CHARRINGTON MANOR RESIDENT

West Byfleet's Charrington Manor offers luxurious living coupled with a truly personalised approach to care. Within our luxury care home you will find:

- A wellbeing and beauty salon which includes hairdressing and a nail bar for manicures, pedicures and hand massages

Our Approach

We believe it's the people that make a loving home.

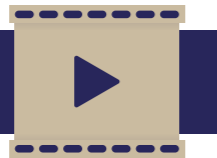

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Charrington Manor is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"I feel that my grandmother could not be in a more comfortable and caring environment for her current needs. A lovely modern room with a view and an immaculate bathroom. Very helpful and careful staff, who are welcoming to visitors, at times to suit busy family members. Thank you everyone for taking care of my beloved Nanna."

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"Staff are very kind, caring and understand the needs of the residents. It's a beautiful, comfortable home with superb facilities."

— RELATIVE OF A CHARRINGTON MANOR RESIDENT
