"The team are fantastic and manage my mum's needs above and beyond what is expected of them. The home's facilities are beautiful, activities varied with lots of choice and the food is amazing – Mum always says when I visit how tasty lunch was. I'd highly recommend this home to anyone looking for a care home." – SON OF AN ABBOTS WOOD MANOR RESIDENT

Our Approach

We believe it's the people that make a loving home.

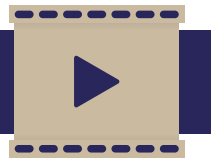

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Abbots Wood Manor is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"What a find. Abbots Wood stood out from the other three care homes we spoke to by a country mile. They couldn't have been more helpful to us, nor more solicitous and kind to Dad. He has had a great experience and is particularly complimentary about the food! Thank you for looking after him so well. It means everything."

— DAUGHTER OF AN ABBOTS WOOD MANOR RESPITE RESIDENT

"Abbots Wood Manor is a class above other local care homes in my opinion, from the home itself which is modern with good size rooms and excellent facilities to the lovely staff that work there. The care she has received since being there has been excellent and she is certainly enjoying the cooking there! Most importantly she is happy and we feel she is in the best place possible, giving us peace of mind knowing she is safe and very well looked after." – GRANDDAUGHTER OF AN ABBOTS WOOD MANOR RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing & Lifestyle Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"From the initial viewing of the home, it quickly became clear this was a very high-quality development with a fresh care approach. The premises are like a 5-star hotel. All the staff are very professional, kind, thoughtful and polite. They really do understand the residents' needs. We have seen quite a few care providers, Hamberley are the best." – SON OF AN ABBOTS WOOD MANOR RESIDENT

"I can see that Abbots Wood Manor is giving my mother the very best care. The staff and premises are first class. Her homemakers are friendly, caring and no request is too much." — DAUGHTER OF AN ABBOTS WOOD MANOR RESIDENT
