

## SPECIALIST NEUROCARE & REHABILITATION

At Rosewood House Neurocare, we enable residents to live with as much independence as possible, through specialist nursing care, therapeutic interventions, lifestyle adaptations and wellbeing support.

Our physiotherapist, occupational therapist, neuro nurse specialist, carers and Wellbeing and Lifestyle coaches support people alongside expert independent neurological specialists.

Rosewood House Neurocare's offering is unique to East London – a beautiful, high quality neurorehabilitation service which allows people with complex neurological conditions and symptoms to be supported for in the community – and of the hospital, and for many, closer to friends and family.

At Rosewood House Neurocare, people are at the heart of their own care and their own experience. We work hard to provide an environment of possibility and potential, where people can live full, happy lives, maintaining and developing their independence wherever possible."

— KEITH CROWHURST, HOME MANAGER, ROSEWOOD HOUSE NEUROCARE
