The facilities are fabulous, the care is top class and Mum is happy. We no longer have to worry about Mum being alone in her house." – DAUGHTER OF AN UPTON MANOR RESIDENT

Our Approach

We believe it's the people that make a loving home.

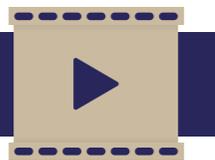

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Upton Manor is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"I have found the staff to be most helpful, even in the difficult time of lockdown. Always kept me informed of any problems with my relative and encouraged me to ring to ask for updates on my relative. Easily, this is by far the best home in the area, having listened to other people's stories."

— COUSIN OF AN UPTON MANOR RESIDENT

"A welcoming group of nursing staff, reception and the manager met us on arrival, making their new resident feel at home. The food was well presented and thoroughly enjoyed. A great start to what will now be a wonderful place for him to live." – STEPDAUGHTER OF AN UPTON MANOR RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"We have been very happy with the care my mum has received and the genuine affection shown to her, especially during Covid."
