RICHMOND MANOR

A luxury care home with a heart

"Mum needed 24 hour nursing care, so we worked with the district nursing team to place Mum in Richmond Manor. The management team and staff could not have made this easier to achieve. The home is beautiful and immaculate. All the nursing care and everyone that was involved in nursing our mum fulfilled her needs and beyond. Everyone was so caring and supportive of those needs she required. Thank you for all your support and for looking after our beautiful mum." – DAUGHTER OF A RICHMOND MANOR RESIDENT

Our Approach

We believe it's the people that make a loving home.

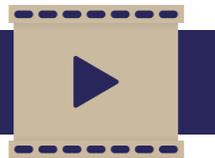

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Richmond Manor is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"Since joining Richmond Manor my mum has become socially integrated with fellow residents and homemakers. She enjoys their company and the daily activities, ranging from baking, quizzes and film nights. Her care cannot be faulted and the food served in the beautiful dining room Mum says is excellent. The quality of the home's decor, fixtures and fittings is exceptional. Whenever we meet staff they all have a smile and happy words, and when we see them with Mum there is gentleness in their interaction with her." — DAUGHTER OF A RICHMOND MANOR RESIDENT
