"The facilities here are exceptional and the staff are lovely - friendly and nothing is too much trouble. My mother-in-law was made to feel at home straight away and has settled in very well in just a few days. This feels like a luxury hotel and is nothing like the care homes one normally experiences. I can't thank the staff enough for how they look after and care for my relative." – SON-IN-LAW OF A MERYTON PLACE RESIDENT

Our Approach

We believe it's the people that make a loving home.

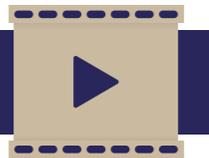

That's why our carers are so much more, they are Homemakers. Our award-winning Homemakers not only provide the highest quality of care, but they focus on the tiny details that make each day special for every resident.

From always keeping things clean and tidy, to offering support with hobbies and interests, our Homemakers ensure that Meryton Place is a luxury care home with a heart.

Our personalised approach to care means that we cater for all of our residents' unique needs, providing as little or as much support as they require.

"Mum has been in Meryton Place Care Home for about 3 months now, and we have nothing but praise for the care, staff and facilities here. Everybody ensured the move and settling in process went smoothly for Mum and the initial high level of care and support has continued on a day-to-day basis. Facilities and rooms are excellent. Mum particularly loves the spa bathroom and garden. There are regular activities and lovely food. All staff are friendly, caring and always happy to help with any requests - it's a lovely place." — DAUGHTER OF A MERYTON PLACE RESIDENT

"Mum was made to feel very welcome right from the very first time she visited Meryton Place Care Home. All the staff are very friendly and just brilliant with Mum. She has settled in very quickly and loves her room. The whole family are delighted that Mum has a beautiful home with lovely people and fabulous food. It is a beautiful home for Mum." – SON OF A MERYTON PLACE RESIDENT

Dining & Nutrition

Variety is the spice of life and our resident chef ensures that we serve a wide range of meals catering for every taste and diet. Our carefully planned menus offer well balanced wholesome meals, where traditional dishes feature alongside international cuisine and include varied seasonal options, every day of the week.

We know that being able to sit down together with friends and family to enjoy a nutritious homecooked meal is the foundation of a happy and vibrant home life. So that's why our team members are committed to making every mealtime an enjoyable experience for all our residents. Friends and family are welcome to join and dine with us for a small extra charge.

We regularly adapt our menus to suit food preferences and changing nutritional requirements. As part of our personalised care package we work together with our residents and/or their families, for nutritional profiling and meal planning to ensure they are always well-hydrated and well-nourished.

Wellbeing & Lifestyle

Happiness and harmony are at the heart of our home life and we have a designated Wellbeing Coach to ensure that we create a nurturing and stimulating environment for everyone, residents and staff alike.

We advocate activities that promote physical and mental wellbeing, but we don't believe in waiting for an Activities Coordinator to organise them. Our Homemakers support our residents to continue with their hobbies or pursue new leisure activities, when they want to and not as part of a set timetable.

"Congratulations Meryton Place Care Home, you have taken care homes to a whole new level! The Homemakers provide an exceptionally high standard of care and support. Everyone is very attentive to individual needs and very person-centred – nothing is too much trouble. Residents are treated with respect and dignity. There are plenty of activities for residents to participate in - should they wish. I recently attended the open day and it was wonderful to listen to a resident speak about his participation in baking scones. He spoke with passion and pride about what he had achieved." — DAUGHTER OF MERYTON PLACE RESIDENT

“From the initial viewing of the home, it quickly became clear this was a very high-quality development with a fresh care approach. The premises are like a 5-star hotel.” — SON OF A HAMBERLEY CARE HOME RESIDENT
